Dear Dr. Roysircar-Sodowsky:

On behalf of the entire staff and attendees of the 2005 Winter Roundtable on Cultural Psychology and Education, thank you again for your presentation titled, "Mentoring Language Minority Individuals Through Community Outreach." The Roundtable recognizes that your efforts in designing, creating, and presenting your workshop were integral to the success of the conference.

Winter Roundtable attendees were asked to provide feedback to conference presenters. We have compiled the responses for your workshop and have attached an evaluation summary to this letter. We hope that attendees' evaluations will inform future presentations that you may offer. We have addressed the present summary to the primary presenter of your presentation, and encourage you to share this summary with your co-presenters.

We sincerely appreciate your commitment to the annual Winter Roundtable conference. We look forward to seeing you next year at the 2006 Winter Roundtable Conference. Our theme for the 2006 conference is "Empowerment and Social Justice in Cultural Psychology and Education" Please note that the Call for Papers for next year's conference will be available by the end of August 2005 on the Winter Roundtable website.
