Director, Multicultural Center for Research and Practice

Professor, Department of Clinical Psychology

40 Avon Street

Keen, NH 03431-3516

Dear Dr. Roysircar-Sodowsky:

On behalf of the entire staff and attendees of the 2004 Winter Roundtable on Cultural Psychology and Education, thank you again for your presentation titled: " Interviews with Culturally Diverse Individuals: A Live Training Model in Multicultural Counseling Competence.: The Roundtable recognizes that your efforts in designing, creating, and presenting your workshop were integral to the success of the conference. Winter Roundtable attendees were asked to provide feedback to conference presenters. We have compiled the responses for your workshop and have attached an evaluation summary to this letter. We hope that attendees' evaluation will inform future presentations that you may offer.

Sincerely,

Madonna G. Constantine, PhD

Director, Winter Roundtables on Cultural Psychology and Education

Teachers College, Columbia University

8.) Please make any other comments or suggestion regarding this symposium, paper,or workshop below:

More clarification on balance achieved in interviewing. Would have liked to see all (or at least another) cases- the other ones my role would be an observer.

Interactive, experiential, non-judgmental, supportive.

Good to see. It would have been good if we had more time to discuss with big group.

Excellent! Great case studies and group work!
