

Disaster Shakti Minutes December 19, 2005

Present: Anders Goranson, Claire Dunnett, Stephanie Miller, Alison Roy, Kate Airey, Shawna Boles, and Gargi Roysircar

Tsunami Cards:

- We were thinking of printing T-shirts and postcards in addition to the cards for a fundraiser.
- There is also the possibility of Claire printing the Tsunami pics at her home and then bringing them to Gargi's home on the 16th and 17th January to put cards together
- The whole team (Stephanie, Alison, Shawna, Kate, and Anders) will help to put the cards together on 16th and 17th Jan.
- Recently, Gargi spoke with some folks from Tree Free and there may be a possibility that Tree Free will print our cards as a donation.
- We hope to have cards done by the end of January.

Trip Expenses:

Stephanie conducted a cost analysis of the trip and found prices ranging from \$500 to \$800 including round trip tickets and 11 nights in a hotel.

New Name for the Disaster Recovery Work:

We developed a new name for our cause ----Disaster Shakt, which translates to Disaster Empowerment.

Next Meeting: Monday 23rd during first break.
